

ART LEAGUE OF LONG ISLAND

AWAKENING

Saturday, July 17, 2021 to Monday, September 6, 2021

We find ourselves awakening, as though from a long slumber. The slow recovery from the pandemic forcing us to relate to Rip Van Winkle's surprise to find a changing world. Spring is bursting forth with life again, but that is not all. The world around us is, indeed, awakening to changing social, political and environmental landscapes as well. The Art League of Long Island has asked artists to share their work that features their expression of our world as it acclimates to a new normal.
