

Dear Marianne,

February 10, 2025

The Long Island Aquarium is excited to celebrate its **25th Anniversary**, and we would love to collaborate with the **Art League of Long Island** to make this milestone event truly special! We are seeking your support in soliciting talented artists to create and submit aquatic-themed artwork to be featured at our **birthday celebration on June 25th, 2025**.

We aim to showcase artwork that highlights the beauty, wonder, and diversity of marine life. Whether through painting, sculpture, photography, or mixed media, we hope to engage artists in bringing their unique perspectives to this exciting exhibition. To show our appreciation, each selected artist will receive two complimentary tickets to our anniversary celebration.

We would greatly appreciate your help in reaching out to your network of artists and encouraging them to submit their work. Below are the submission details:

- **Theme:** Aquatic life and marine environments
- **Medium:** Open to all visual art forms
- **Deadline for submissions:** June 1, 2025
- **Submission format:** High-resolution images of the artwork along with title, dimensions, and a brief artist statement.
- **Drop-off Details:** Upon selection, artwork should be delivered/mailed to the Long Island Aquarium by June 13, 2025.

Please let us know if you would be willing to assist in spreading the word, and if there are any additional ways we can support your efforts. Artists can submit their work or request more information by contacting us at [info@amwny.com](mailto:info@amwny.com) or visiting [www.longislandaquarium.com/art](http://www.longislandaquarium.com/art)

We truly appreciate your support and look forward to celebrating this special occasion with you and the vibrant artist community!

Best regards,

Bryan DeLuca
